Speakers' Corner

BERLIN, 5 – 7 NOVEMBER 2019
mobility-electronics.com

Registration deadline: 1. August 2019

As an exhibitor at MES Expo, you can book a one-hour time slot in the Speakers' Corner and use it for lectures, presentations or podium discussions.

Based on the well-known role model in London's Hyde Park, there are no substantive requirements. The Speakers' Corner provides you with the ideal setting for presenting your company, presenting products and innovations in a fully equipped conference room. The selection of topics, the content, the course of events and the selection of speakers are the sole responsibility of the exhibitor.

The lectures in the Speakers' Corner are free of charge for all trade visitors. The titles of each event will be published on the MES Expo website. The exhibitors are also recommended to explicitly invite visitors to their presentations and to advertise with their own communication and marketing measures.
